

WESTPORT PLAZA GIVEBACK

JULY 20-23, 2026

Join us at Westport Plaza for Restaurant Giveback Week, as our participating restaurants and businesses come together to support the incredible children's hospitals serving St. Louis families.

All week long, a portion of proceeds will be donated to help provide lifesaving care, innovative treatments, and support for the kids who need it most. Dine, shop, and enjoy Westport Plaza. Your visit makes a meaningful difference in our community!
